TIME A.M. \_\_\_\_\_

The above referenced defendants are presently scheduled for sentencing before Your Honor on January 19, 2007. However, two of the defendants have not yet been interviewed and the other was only interviewed on November 28, 2006.

This situation will prevent us from completing the presentence reports in time for the scheduled sentence date. As a result, we request an adjournment of sentence of approximately four weeks, so as to allow us sufficient time to interview the defendants, verify information provided by the defendant during the presentence interview and complete the presentence report.

Kindly indicate below if a sentence date of February 16, 2007 is acceptable to the Court.

RESPECTFULLY SUBMITTED:  
Tony Garoppolo  
Chief U.S. Probation Officer
